## Purpose

---

In order to improve the lives of Kwantlen students, the KSA offers a subsidy to KSA members who are experiencing financial hardship that impedes their access to education. If you are able to demonstrate financial hardship or a significant personal obligation, you may be eligible to receive a partial MultiPass subsidy (\$102) or a full MultiPass subsidy (\$204). Once the final date for application submission passes, the KSA Bursary Committee will review all applications.

Funding for these subsidies is limited. Your ability to demonstrate financial hardship does **not** guarantee a subsidy, and applicants may receive a partial or full subsidy. Please note that students must be eligible for the KSA MultiPass to be eligible for the MultiPass subsidy. Applications will only be reviewed after the deadline has passed. Applicants will receive notification of their status, and those approved will be mailed a cheque to the address provided one month after the deadline for submissions. Applicants receiving the bursary may be required to provide details to the KSA for tax purposes as required by the Canada Revenue Agency.
